**SAGA PRESENTATION TO THE CITY OF CAPE TOWN
SAFETY AND SECURITY PORTFOLIO COMMITTEE**

25 June 2021

In order to fulfil our vision to actively negotiate with government and other bodies for practical and logical firearm legislation reforms, SAGA asked to address the City of Cape Town's Safety and Security Portfolio Committee on Friday 25 June 2021.

The committee chair Counsellor Mzwakhe Nqavashe obliged and extended an invitation to SAGA.

Damian Enslin, the Chairperson of SAGA, made the presentation.

The purpose of this presentation was to educate the committee on the FCA Amendment Bill 2021 and its dire ramifications, and further to request that they make a submission on the Bill in the public participation process with the Civilian Secretariat for Police Service.

A special Motion was introduced by the Chairperson and was carried, and thus the City of Cape Town will formally object to the Bill and make a submission against the FCA Bill.

This will be the first time that a City has taken a stand for firearm rights in South Africa.

SAGA would like to thank the Committee for the invitation and for the resolution made on the matter.
